

1975 INDEX

Key to Dates and Pages

| Pages | Month of Issue | No. |
|---------|-------------------|-----|
| 1-96 | January-February | 1 |
| 97-192 | March-April | 2 |
| 193-288 | May-June | 3 |
| 289-384 | July-August | 4 |
| 385-480 | September-October | 5 |
| 481-584 | November-December | 6 |

Key to Classification of Subject Index

(*) Original signed article
(CR) Conference report
(PR) Publication review
(SR) Short report

THIS INDEX to PUBLIC HEALTH REPORTS is divided into a subject index and an author index. The subject index carries one or more entries for each item published. In addition to the subject headings, categorical headings include ANNOUNCEMENTS, CONFERENCES and ORGANIZATIONS; BIBLIOGRAPHIES; BICENTENNIAL REPRINTS; CONFERENCE REPORTS; EDUCATION NOTES; and PUBLICATION REVIEWS.

SUBJECT INDEX

| | | |
|---|------|------|
| ABORTION | | |
| statistics, complexity of compiling | *502 | |
| ACCIDENTS | | |
| <i>see also</i> Poisoning | | |
| involving children, color film stresses prevention (SR) | 87 | |
| ADMINISTRATION | | |
| health, report of the Commission on Education for Health Administration (PR) | 89 | |
| management of organizational change in health agencies | *149 | |
| ADOLESCENTS | | |
| <i>see also</i> Youths | | |
| health care program, University of Rochester Schools of Medicine and Dentistry | *412 | |
| AGED | | |
| <i>see also</i> Geriatric Institutions | | |
| use of medical care by fully insured (PR) | 380 | |
| AIR POLLUTION | | |
| broadcast of microbial aerosols by stacks of sewage treatment plants and effects of ozonation of bacteria in the gaseous effluent | *208 | |
| ALCOHOL DRINKING | | |
| characteristics and drinking practices of persons arrested the first time for drunk driving, with treatment implications | *424 | |
| national program—a vital component of the Alcohol, Drug Abuse, and Mental Health Administration (September—October inside cover) | | |
| AMBULATORY CARE <i>see</i> Health Facilities | | |
| AMERICAN MEDICAL ASSOCIATION | | |
| report on provider participation in implementing Early Periodic Screening, Diagnosis, and Treatment Programs (PR) | 383 | |
| ANEMIA | | |
| comparative microhematocrit values of Spanish Americans and whites attending Los Angeles County youth clinics | *58 | |
| ANESTHESIOLOGY | | |
| use of telemedicine to advise anesthetists, Cleveland (SR) | 80 | |
| ANNOUNCEMENTS, CONFERENCES | | |
| American Medical Association Congress on Occupational Health | 383 | |
| Canadian Conference on Medical Devices in Health Protection | 384 | |
| Conference on Environmental Effects of Dredging | 570 | |
| Energy Strategies for Health Care Institutions, sponsored by Health Resources Administration and American Hospital Association | 285 | |
| Symposium on Nutritional Disorders of American Women | 384 | |
| Women and Their Health; Research Implications for a New Era, sponsored by National Center for Health Services Research and the University of California School of Nursing | | 286 |
| ANNOUNCEMENTS, ORGANIZATIONS | | |
| Health Resources Administration conference on women in health, date change | | 190 |
| International Congress of School and University Health and Medicine | | 478 |
| National Center for Health Services Research established | | 190 |
| Society for Biomaterials, call for papers for 1976 annual conference | | 381 |
| Symposium on Infections of the Fetus and Newborn, New York City | | 84 |
| ARMADILLOS | | |
| experimental leprosy in the nine-banded | | *483 |
| ARTHRITIS | | |
| health education programs developed by National Retired Teachers Association-American Association of Retired Persons (SR) | | 476 |
| ASBESTOS | | |
| hazards for brake mechanics, Baltimore and Washington studies | | *254 |
| AUTOMATED DATA PROCESSING | | |
| computerized scheduling reduces outpatients' wait, Veterans Administration Hospital, Boston (SR) | | 87 |
| AUTOMATED HEALTH TESTING | | |
| in a multispecialty group practice; effects on physician behavior and economic influences | | *126 |
| multiphasic, diagnostic, and testing results obtained at the Health Evaluation Center, PHS Hospital, Baltimore | | *133 |
| BEHAVIOR | | |
| family support for a health career and the effects on eighth graders' career interest | | *168 |
| of persons arrested the first time for drunk driving, characteristics and drinking practices | | *424 |
| sexual, relationship with putative father and use of contraception by a population of black ghetto adolescent mothers, Atlanta Adolescent Pregnancy Program | | *417 |
| public response to various written appeals to participate in health screening | | *539 |
| BEHAVIORAL SCIENCES | | |
| role in changing people's behavior toward the environment | | *231 |
| BIBLIOGRAPHIES | | |
| National Library of Medicine | | 91 |
| BICENTENNIAL REPRINTS | | |
| coordination and expansion of Federal health activities (December 5, 1919) | | 270 |
| etiology of pellagra, significance of certain epidemiological observations with respect thereto (June 26, 1914) | | 373 |
| experimental transmission of Rocky Mountain spotted fever by means of the tick, reports to | | |

| | |

| 467 <i>see also</i> Family Planning | |
| 67 Daklon shield's safety and effectiveness studied by FDA (SR) | 188 |
| 486 Hulka clip, patent issued (SR) | 566 |
| injectable and long lasting, German firm and NICHD sign \$1.2 million contract to develop (SR) | 563 |
| *15 IUDs, insertion by rural midwives in Iran use in a population by black ghetto adolescent mothers and the relationship with putative father, Atlanta Adolescent Pregnancy Program | *498 |
| 284 | |
| 381 | |
| CONTRACTS, FELLOWSHIPS, GRANTS | |
| 284 competition open for grants for six new research centers, National Center for Health Services Research (SR) | 184 |
| 185 Environmental Protection Agency awards contracts for studies of noise | 566 |
| 283 Fellowships available in Sweden and Switzerland | 569 |
| 470 grant of \$25 million from DHEW's Office of Professional Standards Review for program to assure quality of medical care (SR) | 87 |
| 85 grant to University of Pacific School of Dentistry to train dental students in primary medical diagnosis for referrals and emergencies (SR) | 563 |
| 284 research contracts awarded by National Cancer Institute to improve Papanicolaou test (SR) | 284 |
| 566 system being developed for monitoring cost and activity of ambulatory services through grant from W. K. Kellogg Foundation of Battle Creek, Mich. (SR) | 186 |
| *365 U.S. medical students work in Israeli and Yugoslav health care systems, Health Resources Administration foreign fellowship program (SR) | 181 |
| 379 WHO fellowships for health workers, 1976 (SR) | 278 |
| *402 | |
| *344 | |
| COOPERATIVE EXTENSION SERVICES | |
| potential to meet needs in rural health education and in rural institutional development | *340 |
| COSMETICS | |
| hypoallergenic, FDA issues final regulations for (SR) | 475 |
| 186 | |
| DENTAL CARE | |
| costs, prediction by use of quantitative model and application of model to a dental group practice | *528 |
| evaluation of dental care by professionals and self-care by clients (PR) | 190 |
| 185 | |
| DENTAL HEALTH | |
| dentists credit fluoride for reduction in tooth decay (SR) | 281 |
| 568 of Louisiana residents based on the 10-State nutrition survey | *173 |
| 185 preventive dentistry program, incorporation in a Home Start program, W. Va | *365 |
| 80 school-based caries prevention projects in low-fluoride communities supported by National Institute of Dental Research (SR) | 278 |
| DENTISTRY | |
| Minnesota, manpower information systems | *409 |
| 567 | |

| | | | |
|--|------|---|----------|
| self-instruction offered by Project ACORDE (A Consortium on Restorative Dentistry Education) (SR) | 281 | on chances for better health | *3 |
| training dental students in primary medical diagnosis for referrals and emergencies (SR) | 563 | health policy issues: one economist's view | *387 |
| DENTISTS | | humanistic and economic benefits of first 10 years of measles vaccination, United States | *205 |
| method for assessing dental manpower need tested in low income area of Philadelphia | *257 | inflation and the health care system (January—February inside cover) | |
| DIABETES | | is prepayment a solution for rural health care? | *298 |
| health education programs developed by the National Retired Teachers Association-American Association of Retired Persons (SR) | 476 | physicians' knowledge of patient's payment status at Marshfield Clinic, Wisconsin | *113 |
| DIAGNOSIS, COMPUTER ASSISTED | | "Medical Care Used by a Group of Fully Insured Aged" (PR) | 380 |
| minicomputer identifies heart defects quickly and accurately (SR) | 88 | out-of-pocket cost of medical care (PR) | 83 |
| DIALYSIS <i>see</i> Kidney Disease | | prediction of dental care costs, by use of quantitative model and application of model to a dental group practice in Boston | *528 |
| DIET <i>see</i> Nutrition | | who chooses prepaid medical care; survey results from two marketings of three prepayment plans, Rochester, N.Y. | *516 |
| DIETHYLDIESTROSTROL | | | |
| method for testing toxic effect on unborn animals devised at the National Institute of Environmental Sciences (SR) | 568 | | |
| DOG BITES | | | |
| among letter carriers in St. Louis, Mo. | *267 | EDUCATION NOTES | |
| ecology of injury in St. Louis, Mo. | *262 | Association for the Advancement of Medical Instrumentation | 94 |
